Investment requirements

Non-refundable investment

Donation to a government fund

- Non-refundable contribution to the government
- This option is cheaper and does not imply any connections or obligations to the country

100.000 USD

Starting from for one applicant

Refundable investment

Government bond investment

- Investing in non-interest-bearing government bonds $ 300,000, which must be held for 5 years
- The bonds can be fully redeemed in 5 years for the investor to refund the money

300.000 USD

Starting from for one applicant

Investment in approved real estate projects

- Acquisition of a share in a hotel (from a trusted developer with a good record) starting from $ 200,000
- A necessity to hold the share for 5 years, after that it's possible to resell the share
- Receiving dividends for the period of holding the share depending on how the hotel performs

200.000 USD

Starting from for one applicant
